C THE DIFFERENCE
Dramatically reduce the signs of aging with the Skinstitut's Vitamin C 100%. This unique product has been carefully created to boost collagen in the skin, thus reducing the visible appearance of lines and wrinkles. Unlike other vitamin C

applications, Skinstitut's Vitamin C 100% is in pure powder form making it more effective in the fight against aging than water and oil based Vitamin C formulations.

THE SECRETS OF SAFFRON

Discover the centuries old secret of saffron with OmVeda's nourishing new Saffron Oil. High in antioxidants saffron has been used to treat skin conditions for hundreds of years and this delicate all-round facial oil is designed to help minimize wrinkles, reduce pigmentation and diminish concerns like pimples while giving skin a natural glow.

Simply massage a small amount over the face and neck to instill a glow and freshness to the complexion. Use in the salon as part of an ayurvedic facial massage, or for home-care, use before bedtime so skin can reap the benefits.

WARM UP YOUR WINTER WITH ST TROPEZ

The new Tan Intensifier lotion from St Tropez will enhance and prolong the life of your tan this winter. Packed with special ingredient Erythrulose, TAN INTENSIFIER gives an instant, long-lasting boost, and can be used either to prolong your natural summer colour or extend a St. Tropez fake tan. Apply to body in downward strokes when tanning begins to fade, applying less of the product to dry areas. Repeat application for more intense results, allowing at least eight hours for full development of tan. Apply as often as required to maintain desired level of tan.
